The Corruption of Evidence Based Medicine — Killing for Profit

The idea of Evidence Based Medicine (EBM) is great. The reality, though, not so much. Human perception is often flawed, so the premise

Buck Sexton @BuckSexton · 13h

CNN lied about a medication- willfully and maliciously- because it was more fun for them to ridicule people whose doctors were trying to use whatever tools they have to help sick people during a pandemic

That's what CNN has become. It's who they are.
